

Welcome all to Mogly's Aum Farm,
Which is so peaceful and so calm.
Meet the calf and meet the cows,
Lovely, lovely – Oh! So Wow!

White and black sheep with coats so woolly fine,
Funny little donkeys walking in a straight line.
Few hens and few roosters smart ,
The masakalis are a piece of art.
5 little ducks going quack quackquack,
You'll want to stay there, not come back.
Cute little puppies few months old,
With skins of black and white and gold.
Bunnyrabbits Aha! Black and white,
Peacocks which suddenly take flight,

Highland goats munching on the grass,
Not ordinary, top of the class.
Fairytale pony on the trot
Take a ride, don't you stop!!
Squirrels, ravens, sparrows' sweet,
Watching them is a real treat.
Vegetable garden in full bloom,
For fruits there is much more room.
Swings and see-saw and slippery slide,
A trampoline on the other side,
2 wonderful turtles with lovely shells,
He comes out when you ring a bell.
Welcome all to our Mogly's Aum Farm,
Fun and frolic, peace and calm.
